On Tuesday, March 24, 2015 Ms. Gina Louise Causey, 40, of Abita Springs arrived at the Mandeville Police Complex to file a report alleging she had been the victim of a violent rape at gunpoint in December 2014 near the lakefront in Mandeville. Ms. Causey also stated she had been impregnated by the rapist. While conducting an interview with Ms. Causey she accused the alleged perpetrator of being a law enforcement officer and that he had victimized several other women in the area.

While investigating the incident the detectives discovered several inconsistencies in Ms. Causey’s statements. The detectives were able to conclusively prove obvious falsehoods on the part of the victim concerning the timeline and the location of the alleged incident. Upon being faced with proof of her untruthfulness Ms. Causey admitted she had lied. Ms. Causey stated she filed the false report in an effort to
prevent her husband from discovering she had become pregnant as the result of an extramarital affair.

Ms. Causey was placed under arrest and charged with LRS 14:59 Criminal Mischief. She was transported to the St. Tammany Parish Jail.
